SIGMA Digital Logistics

About SIGMA

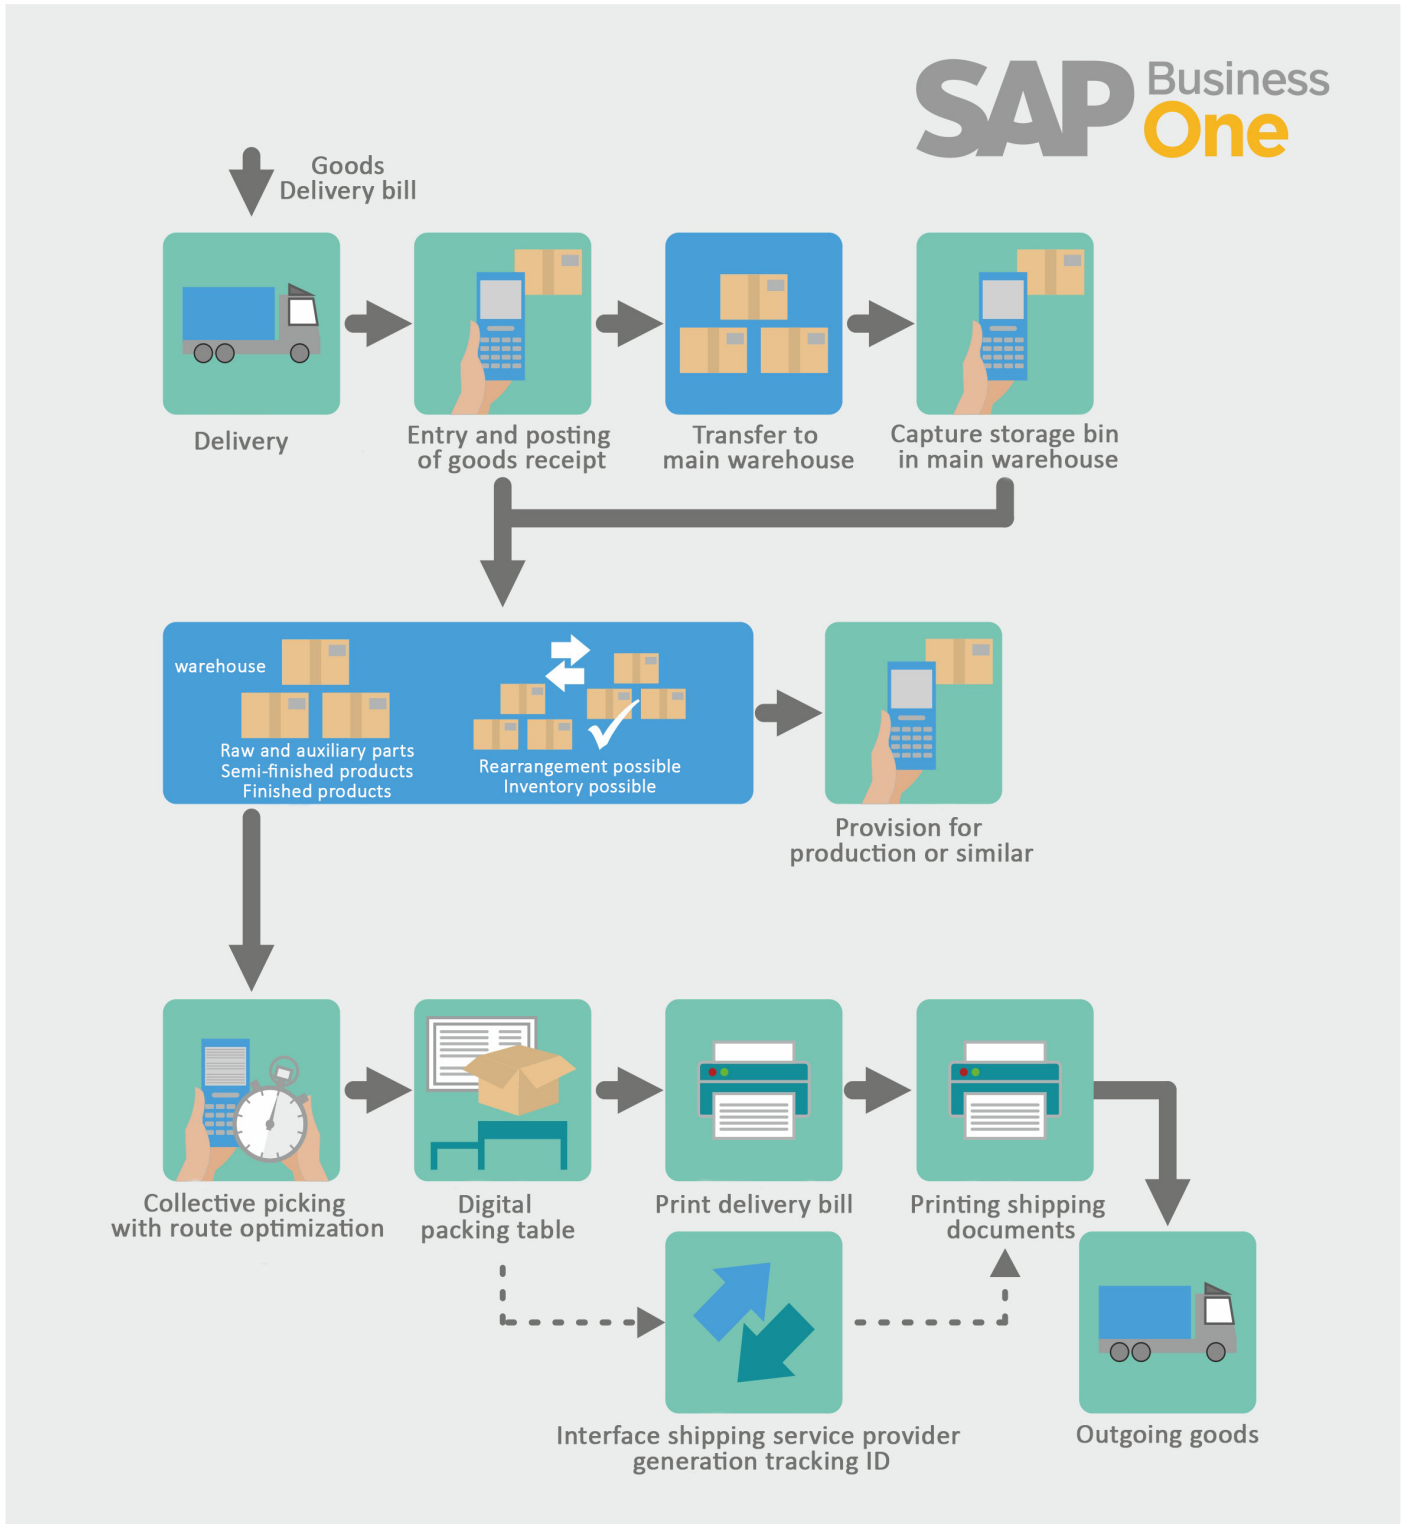

The SIGMA Chemnitz GmbH parent company is an experienced system house with over 80 employees at the Chemnitz and Dresden sites and has been offering a wide range of professional services in the fields of information technology, management and organization since 1990. The group of companies has had ERP experience since 1993.

SIGMA Software und Consulting GmbH has been maintaining an intensive partnership with SAP in the field of medium-sized business solutions since 2007.

All our consultants, developers and sales staff are certified by SAP and continuously undergo extensive training. We love SAP Business One!

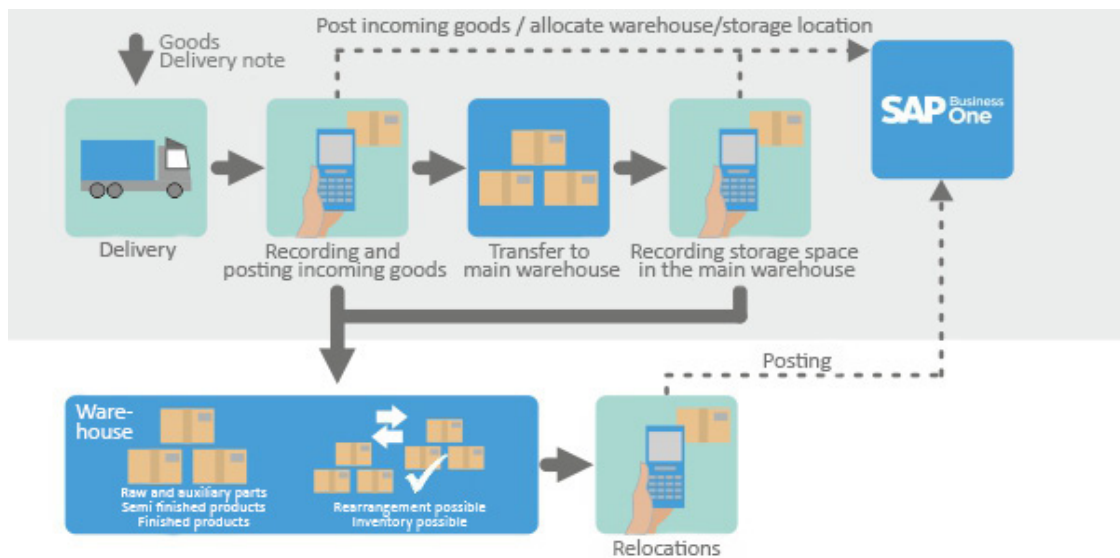

SIGMA Digital logistics at a glance

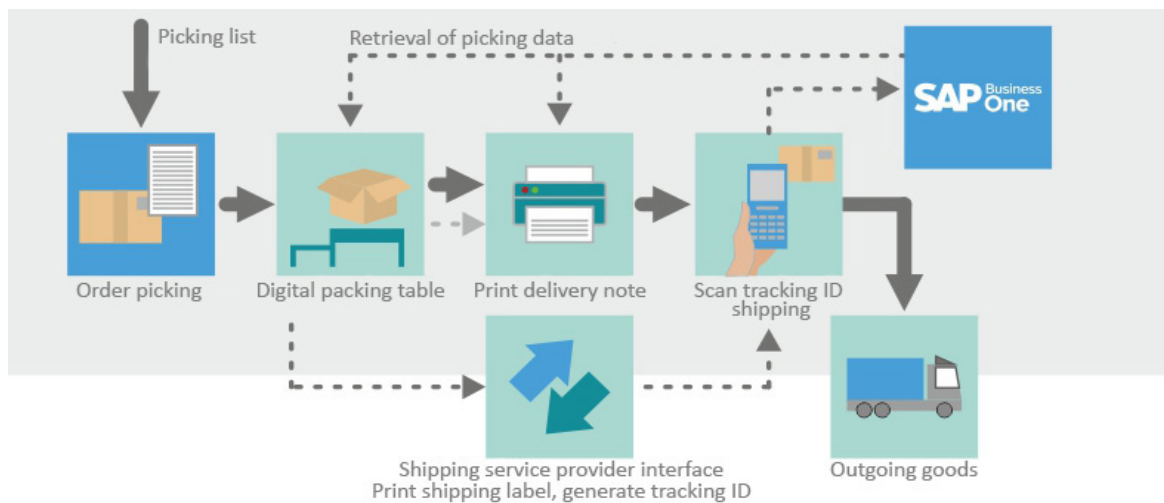

SIGMA Mobile warehouse management

- ✓ Retrieval of stock info (items, batches / serial numbers) on warehouse or storage location
- ✓ Mobile inventory
- ✓ Posting of stock transfers
- ✓ Processing picking lists
- ✓ Partial picking possible
- ✓ Delivery note generation
- ✓ Incoming goods posting
- ✓ Label printing¹
- ✓ Protection from unauthorised use (password or single sign-on)
- ✓ Implementation on different handheld devices²

1 requires couresuite countrypackage and layout definitions
2 technical specifications must be observed

We are your partner for SAP Business One

Digitization with SIGMA! Whether start-up or medium-sized company - with SIGMA the project turns into a digital journey. SAP Business One is our basis and it's really great. The excitement increases with our mobile solutions for warehouses and it gets really good when we unpack our RFID solutions. What are you waiting for?
